

Valet Aqua

A range of wet and dry vacuums for commercial and industrial use

Valet Aqua 20 Heavy Duty

- 20 litre capacity and compact size make it ideal for those smaller jobs
- Swivel hose connector allows the vacuum to be moved without fear of disconnection
- Polyethylene tank for durability
- Castors give exceptional mobility
- Supplied with a full set of tools

Valet Aqua 55 Heavy Duty

- Wet/dry vacuum designed for heavy duty commercial use
- Simple and easy to use
- Helps maintain safer working environments
- Avoid slip hazards by removing spillages
- Polyethylene tank for durability
- Push handle and front castors for easy manoeuvrability
- Drain hose for easy emptying
- Supplied with a full set of tools

Valet Aqua 55 Industrial

- 18 gauge stainless steel tank for long lasting durability
- Durable trolley with push handle for easy manoeuvrability
- Perfect for hard floor maintenance jobs, recovering floor strippers and hard floor cleaners
- The capacity and power for large water recovery jobs or dry debris pick-up
- Swivel hose connector allows 360° hose rotation, letting you move the vacuum without fear of disconnection
- Tank hinges on frame for easy "tip and pour" emptying
- Supplied with a full set of tools

Valet Aqua 75 Industrial

- Twin motors give the airflow required for extreme heavy duty performance
- 18 gauge stainless steel tank for long lasting durability
- Durable trolley with push handle for easy manoeuvrability
- Swivel hose connector allows 360° hose rotation, letting you move the vacuum without fear of disconnection
- Tank hinges on frame for easy "tip and pour" emptying
- Supplied with a full set of tools
